Please read carefully before registering for the trip.

The CANDLES staff welcomes people of all abilities and will do everything within our power to accommodate any need. However, due to differences in standards of accessibility outside of the United States, there are limitations as to what we can provide and accommodate. We are happy to provide more detail to help you determine your ability to participate in each part of the trip. For more information, please refer to the ADA page.

Leisurely				On-the-Go

Please read the following carefully so you are fully informed about the physical expectations of this trip.

Walking/Terrain:

This tour is considered an “on-the-go” pace, which means there will be a considerable amount of walking every day. **We average 18,000-20,000 steps (6-8 miles) per day.** The city walking terrain consists of cobblestones/marble surfaces that can be uneven at times and slick when wet. The walking terrain in Auschwitz is mainly gravel/dirt or larger stones and can be rough and uneven at times (muddy when raining).

Whole-Day Tours:

A typical day begins with a 6:00/6:30 AM wakeup call and an evening return time of 6:30/7:00 PM (not including evening meals and any presentations that may take place after the evening return time). The schedule for the entire trip is rigorous, with little rest/recovery time between days.

Tours:

Both the Krakow city tour and Jewish Quarter tour are two-hour walking tours on uneven cobblestone streets. Most walking surfaces in the tree top area are smooth. We will spend two full days touring the Auschwitz camps. There are only sporadic locations where we can sit to rest (other than on the ground), and there are no regularly spaced benches or paved walking surfaces. Auschwitz-Birkenau is a large area with few trees for shade. **Be prepared to walk in any weather element.** There are no water fountains at the camps. Water must be carried.

While we do not wish to discourage participation in any way, we want you to have a realistic expectation of physical demands of this trip. Please feel free to contact us with questions you may have. These physical demands are why a release form from your doctor may be necessary.

ADA ACCOMMODATIONS

Transportation:

For guests traveling with us who are in need of ADA accommodations and are unable to independently board a motor coach due to a dependency on a wheelchair or walker, transportation with the group, via motor coach, is not guaranteed. In a situation where the group motor coach is not accessible due to participant's dependability on a wheelchair/walker for mobility, alternative transportation options can be discussed with CANDLES staff.

Hotels:

European hotel accommodations which are ADA compliant are extremely limited and are not guaranteed. We will make every possible effort to make reservations at properties that are ADA compliant, but our doing so is entirely dependent on hotel availability.

The bathtub/shower combination in European bathrooms is very tall, and in most cases, there are not "grab bars" for stability when entering/exiting. **There are a very limited number of handicapped rooms or shower-only rooms available, so if you require one of these rooms, please request immediately. Availability is not guaranteed.*

Mobility/General Assistance:

While CANDLES staff will certainly help as time and situation allow, registrants who require an enhanced level of assistance with mobility and/or everyday tasks are required to travel with a companion/caregiver. Staff will not be available, nor provided, for this level of daily assistance.

Locational Accessibility:

Please note that many European sites are not ADA compliant, including many buildings and structures on our tours, as well as the Auschwitz Memorial Museum. Walking paths/steps at Auschwitz are often uneven and covered in large gravel/stones or grass and are difficult to manage if you are restricted to a wheelchair or walker. Those who have knee/hip/back issues may benefit from bringing a non-wheeled device to assist with walking and stability such as a cane or walking sticks.

THE CANDLES EXPERIENCE

By providing trip participants with an immersive experience in the historical setting of Auschwitz, we strive to foster powerful breakthroughs in awareness of our respective roles in creating a world based on hope, healing, respect, and responsibility. We want to help our trip participants become witnesses to history, so they can make the world a brighter place.

Since 2005, we have led 16 successful group tours to Auschwitz with individuals from 44 states and 14 countries from around the world. We strive for a 100 percent satisfaction rate from our alumni, but continuously evolve to provide a memorable experience for everyone. Are you ready to join us on this once-in-a-lifetime trip?

About CANDLES Holocaust Museum and Education Center:

CANDLES is a 501(c)(3) nonprofit organization that was founded in 1995 by Holocaust survivor, Eva Mozes Kor, in honor of her twin sister, Miriam. Through education, we shine a light on the story of the Holocaust, Eva, and other survivors.

Founded originally as CANDLES, Inc., an organization dedicated to finding surviving Mengele twins around the world, CANDLES has grown into a world-wide movement dedicated to engaging all people in our mission, fostering conversations about important local and global topics, and preserving survivor testimony for future generations.

You can connect with CANDLES online at www.candlesholocaustmuseum.org or on Facebook, Twitter, and Instagram - [@candlesmuseum](https://www.instagram.com/candlesmuseum).

"In so many ways, what I experienced on the trip to Poland can't be summarized in words. I arrived having questions and having been given the experience to explore them so meaningful and will continue to inspire me as I figure out what I want to do, and how I want to leave my impression on the world." -2017 Trip Participant

ABOUT EVA KOR

Eva Mozes Kor passed away at age 85 on July 4, 2019. Recipient of the 2017 Sachem award, the highest honor in the state of Indiana, Eva was a survivor of the Holocaust, a forgiveness advocate, and revered public speaker. With the driving message of “never give up” in mind, Eva emerged from a life filled with trauma as a brilliant example of the power of the human spirit to overcome. She was a community leader, a champion of human rights, and tireless educator of young people. She was one of the few surviving twins who shared her personal account of the medical experiments supervised by Nazi doctor Josef Mengele at Auschwitz.

In addition to the importance of her account of the Holocaust from a historical perspective, Eva’s life lessons and message of survival and forgiveness have touched the lives of thousands of people. In 1995, Eva chose to forgive the Nazis. She decided that they would no longer have power over her life. She described forgiving the Nazis as an act of self-healing, self-liberation, and self-empowerment; forgiveness is not about the perpetrator, and it is not about forgetting. It is one step toward repairing the world by helping victims free themselves from the painful memories caused by the perpetrators.

Her story is documented in the award-winning film *Forgiving Dr. Mengele* and the new edition of the popular, young adult book *Surviving the Angel of Death: The True Story of a Mengele Twin in Auschwitz*. Her story of forgiveness is also recounted in the German book *Die Macht Des Vergebens* (*The Power of Forgiveness*) which was published in English in January 2021. In October of 2021, her first graphic novel was published, “Forgiveness: The Story of Eva Kor, Survivor of the Auschwitz Twin Experiments”. In April 2018, Eva’s story premiered as the subject of a feature-length documentary, *Eva A-7063*.

In 1995, Eva opened CANDLES Holocaust Museum and Education Center in Terre Haute, IN. It is the only organization in the world dedicated to the memory of the twin victims and survivors of medical experimentation at Auschwitz. Thousands of people have visited CANDLES since its opening. Eva’s account of her survival of the Holocaust offers many relevant lessons on the dangers of hate speech and prejudice, and the importance of being an informed citizen. Eva’s message of healing reaches across the globe and across social, economic, and cultural boundaries.

Optional Trip Insurance:

Trip insurance is HIGHLY recommended, but not required for travel with CANDLES. In previous years, CANDLES has offered the opportunity to purchase group trip insurance. However, due to COVID-19 and a change in insurance policies, group insurance is now more expensive and does not cover as much. Therefore, CANDLES has opted out of providing this service since participants can purchase their own policies at a more affordable rate. Finding, selecting, and paying for a trip insurance policy will be at the sole responsibility of the participant if they choose to do so.

We strongly recommend purchasing trip insurance as this can protect your investment in case of an unforeseen illness or injury. If you purchase insurance at the time of initial deposit, there are added benefits as well. **Your total covered amount for insurance should include the total cost of the Auschwitz trip with CANDLES including any trip extensions, add-ons, extra flights, and extra hotel nights.** Travel dates should be the day you depart your hometown through the day you return, which may not be the same as the CANDLES trip dates of June 17-25, 2023.

If you decline to purchase your own trip insurance and experience any medical condition or situation that would have otherwise been covered by the insurance, these expenses will be your responsibility to pay out-of-pocket and are not eligible for reimbursement.

Potential Trip Insurance Companies:

Please note, CANDLES does not endorse any one company. These are just examples. Participants may purchase through anyone who sells trip insurance.

- Susan Burke, travel agent, books for both Travel Guard and Travelex, susanburke@sbcglobal.net
- Travel Guard, travelguard.org
- Travelex, travelexinsurance.com
- Allianz Travel, allianztravelinsurance.com
- InsureMyTrip, insuremytrip.com

In the event of trip cancellation, CANDLES does not in any way guarantee that your reason for cancellation will automatically be covered by trip insurance. You should always direct questions regarding specifics of coverage or its limitations to the insurance company you choose.

“I am just a regular guy. I am not a scholar or history buff, so I was unsure if this trip would benefit me anymore than just saying that I have been there. I was wrong. Walking multiple miles on the roads constructed by prisoners, seeing the atrocious conditions that human beings, just like myself, were forced to live and work in, and realizing that these places were not camps, but highly engineered death factories, made me angry... Then on the final day I hear Eva speak on forgiveness... I [finally] understood that forgiveness is for the forgiver and not the forgiven... Thank you to CANDLES and Eva Kor for this truly once in a lifetime experience.” -2020 Audio Tour Participant

Section D: COVID-19 Vaccination

With the ever-changing guidelines in both Poland and the United States, CANDLES Holocaust Museum and Education Center is requiring COVID-19 vaccinations in order to travel with us on the 2023 Auschwitz Trip. The vaccinated guidelines are far less stringent than the unvaccinated guidelines. CANDLES will continue to monitor guidelines and requirements as we prepare to travel to Poland to ensure the safety and wellbeing of all our staff, trip participants, guides, and other travel partners. Thank you for your understanding.

**Please provide proof of your vaccination against COVID-19 to CANDLES by March 1, 2023*

Do you have any concerns that the patient will be able to handle the necessary physical requirements of this trip? If yes, please explain further.

I have read and am familiar with the trip details, physical demands, and locations for the various parts of the trip.
