

CANDLES GROUP VISITS

GUIDELINES and INFORMATION

Thank you for choosing to visit CANDLES Holocaust Museum and Education Center. Eva Kor and the staff of CANDLES appreciate the opportunity to share the museum and Eva's message with you.

The museum is located at 1532 South Third Street, Terre Haute, Indiana 47802 (directions and map are enclosed)

Please review the following guidelines and information in this packet before you arrive for your group visit.

- Please arrive with enough time for your group members to use the restroom facilities before your group presentation.
- The museum operates and all group visit times are scheduled on EST.
- The gift shop will be open before, during, and after your guest experience. We accept cash, check, Visa or MasterCard as payment methods. Items may also be pre-ordered.
- Eva will be available for photographs and/or to autograph books and DVDs after the presentation.
- Please do not bring food or drinks into the museum.
- Please do not allow group members to have gum during their visit.
- We appreciate and encourage picture taking and sharing those photos on social media; please be respectful of the subject matter when posing.
- We suggest that you allow enough time – at least 2 hours – to hear Eva's story as well as an additional 30-45 minutes to explore the main exhibit and gift shop. It is possible, however, to schedule shorter visits.
- Please do not lean or sit against exhibits and exhibit walls.
- Please do not "play" on the stage/platform area in the main exhibit hall. We consider this a place for reflection and thought. Be respectful of the fact that this platform represents the place that child survivors like Eva saw their parents for the very last time.
- Please remind students to dress and conduct themselves appropriately for their visit. CANDLES is a place to learn and reflect.
