

The Hunt for Nazi War Criminals

CANDLES presents bestselling authors, and husband and wife duo, Gerald and Trisha Posner. In a joint appearance, the couple will discuss infamous Nazis Dr. Josef Mengele and SS Officer / Bayer pharmacist Victor Capesius. Addressing more than just their inhumane and monstrous acts at Auschwitz, the Posners will examine Mengele's and Capesius' experiences after the war and the perpetrators' subsequent life in hiding as war criminals.

Saturday, November 11, 2017 at 6:00pm EST

The Posners will discuss Mengele and Capesius in detail, comparing their stories and how they ended up working together at Auschwitz, as well as how they both became fugitives, one in plain sight and one on the run in South America.

Gerald's story focuses on a young physician from a privileged family whose enormous ambition was only satisfied by playing a sadistic God at Auschwitz.

Trisha delivers an uplifting tale of how the perseverance of two men - a camp survivor and Germany's first postwar Jewish prosecutor - led finally to some semblance of justice for Capesius.

Admission is free and open to the public.
