

INTRODUCTION  
TO  
*SURVIVING THE ANGEL OF DEATH*  
UNIT GUIDE

- 1) Teacher Curriculum Guide: contains objectives, key vocabulary, and leveled questions/tasks by chapters. It also provides 3 supplemental texts to use at various stopping points within the book.
- 2) Appendix/Materials: contains all printable materials for students to use to complete the given questions/tasks. Many of these materials/tasks will be present in the PowerPoints provided.
- 3) Chapter PowerPoints: contains PowerPoint slides per section of chapters within the book. These PowerPoints support the tasks/materials provided in the Appendix.
- 4) Supplemental Text PowerPoints: contains PowerPoint slides for the 3 supplemental texts offered. These PowerPoints support the tasks/materials provided in the Appendix.
- 5) Project PowerPoint: contains a PowerPoint that will guide students through a culminating project upon completing the unit. Materials for the project can be found in the Appendix.
